

Mark Wilson

International Contact Partner

RSM China CPAs

Mark Wilson is a Partner in the International Department for RSM China CPAs, based in Beijing, with 22 years experience in international audit firms and manufacturing industry.

Prior to joining RSM China CPAs, Mark spent four years as the Head of Audit for our joint venture subsidiary, Salustro Zhongrui CPAs.

After eight years working in operations management within the manufacturing sector in Europe and working as a chartered accountant in five countries, he has acquired and developed a considerable expertise in international audit and international accounting principles as well as a detailed understanding of the needs of the manufacturing sector:

Audit of international industrial groups:

- » ARC International (glassware)
- » Cambrex Corp (chemicals)
- » McCain Foods (food industry)
- » Saint Gobain Group (industrial products)
- » Total (oil and petrochemicals)
- » Valéo Group (automotive industry)
- » Veolia Environment (water treatment, waste management, & communal heating)

Operational experience within the manufacturing sector:

- » International Materials Management Strategy within Europe
- » Internal Audit secondment relating to logistics
- » Purchasing across light engineering
- » Technical assistance to convert financial statements to comply with other international accounting principles (US GAAP and IFRS).
- » Developed World Bank funded training material on IFRS for the Beijing National Accounting Institute.
- » Group audit reporting work for international groups relating to British, Chinese, Russian and Mongolian subsidiaries (principally reporting under US GAAP or IFRS).
